

## TAXES

Region <b>EMEA</b>	<p>All prices are quoted without sales, use, excise, value added, or other taxes.</p> <p>All applicable taxes will be added at the applicable rate that is in effect at the time of payment. All taxes, indirect taxes and duties applicable to the transactions provided for in this agreement are payable by CUSTOMER. Elektrobit will invoice CUSTOMER for any such taxes that it is required to collect.</p> <p>If CUSTOMER is required by law to make a tax deduction at source or on account of Elektrobit (withholding taxes), CUSTOMER will make the tax deduction and any payment required in connection with such tax deduction within the time allowed and in the minimum amount required by law. Promptly upon becoming aware that an obligation to make a tax deduction exists, CUSTOMER must notify Elektrobit accordingly. CUSTOMER must immediately send to Elektrobit a tax certificate showing the payment of such tax and other related documentation as Elektrobit may request in order for Elektrobit to obtain any applicable tax credits.</p>
