This is to certify that the Process(es) described herein have been investigated and as of the date of audit, found in compliance with the Standard(s) indicated on this Certificate. UL Solutions does not provide any representation or guarantee that the Processes will result in the design of products that do not contain any security vulnerabilities or weaknesses and will not be vulnerable, susceptible to exploitation, or eventually breached. The designated Certificate Holder is entitled to market the Process in accordance with the Service Agreement and Identity Management and Security (IMS) Certification Service Terms. This Certificate shall remain valid until the indicated Expiration Date unless terminated earlier in accordance with the Service Agreement or if the referenced Standard is amended or withdrawn. This Certificate in and of itself does not authorize the Certificate Holder to use any UL Solutions trademarks.
